

ICT Department – Acceptable Use Policy for personal mobile devices brought into school

This document is about ensuring that you, as a student at Lutterworth High School, can use the internet, email and other technologies available at the school in a safe and secure way. This also seeks to ensure that you are not knowingly subject to identity theft, that you avoid cyber-bullying and just as importantly, you do not become a victim of abuse. We have banned certain proxy sites as well as anonymous proxy sites, because they put you and the School's network at risk. Help us, to help you, keep safe.
